Level 1: The Essentials Kit

Welcome to the team, let's keep it simple. This kit covers the basics with a few day-one must-haves that say "you're part of the crew" without going overboard.

Level 2:

A little extra goes a long way. Thoughtful upgrades add style and function to the welcome experience – perfect for hybrid teams or standout roles.

Level 3:

Big welcome energy. This premium kit delivers a polished first impression with custom details that say: we're invested in your success.
